Indicate Housing Type
<input type="checkbox"/> Single Family Detached
<input type="checkbox"/> Single Family Attached (duplex)
<input type="checkbox"/> Mobile Home
<input type="checkbox"/> Multifamily

Additional Requirements: (Please complete the following)
√ Attach the contractor's invoice or paid receipt (or loan program proposal).
√ For air-source heat pumps and air conditioners: Attach the "Certificate of AHRI Certified Performance" provided by your contractor. This is a single-page form printed from the Air-Conditioning Heating and Refrigeration Institute (AHRI) Directory that shows equipment manufacturer, model number(s), size, all efficiency ratings and 7-digit AHRI reference number.
√ For water source heat pumps or heat pump water heaters: Have your contractor provide brand, model number and manufacturer's efficiency specifications on his invoice, receipt or proposal.
√ <input type="text"/> What is the area cooled? (square feet)

*Rebates will appear as a credit on your utility bill

Other Conditions and Requirements:

- Rebates are subject to change without notice and are subject to approval.
- For rebates to be paid, this application must be completed entirely and submitted with required documentation (see above).
- Rebates cannot exceed the total installed cost for the appliance(s).
- Rebate application must be received within 90 days of the installation's Final Inspection Date.
- Rebates are paid to the property owner or installing contractor for equipment retrofits in existing homes. Not applicable to equipment installed during new construction prior to receiving a Certificate of Occupancy (CO).
- The qualifying equipment must be installed in a permanent residence receiving City of Tallahassee electric service.
- An installation permit and a Completed (passed) final inspection are required.
- Air conditioning and heat pump rebates are for permitted, inspected installations of complete, AHRI-matched systems with an AHRI certificate.
- Rebates are not paid for unmatched systems having no AHRI certificate.

I hereby certify that the appliance(s) listed above is installed at the address listed and if requested, I will allow a representative of the City of Tallahassee Customer Operations to physically inspect the installation.
